Who is Cwm Taf Care & Repair

Care & Repair is the older persons champion in Wales and actively works to ensure that all older people have homes that are safe, secure and appropriate to their needs. Cwm Taf Care & Repair is a not-for-profit organisation that is a wholly owned subsidiary of Cynon Taf Community Housing Group. The agency is funded by Welsh Government, Rhondda Cynon Taf County Borough Council, Merthyr Tydfil County Borough Council and Cwm Taf University Health Board. Our role is to provide a free support and advice service for older and disabled people that assists the client's choice to remain living in their home. A client led, individually tailored package of support will be identified and delivered by an experienced team of Case Officers, Technical Officers with the aim of ensuring clients remain in their own homes with greater independence, warmth, security and safety.

Main Purpose of the Role

- To provide a comprehensive minor repairs service to Care and Repair clients to enable them to remain at home in greater safety and security.
- To install minor works of adaptation or to complete minor repairs to assist clients home from hospital and prevent re-admission.
- To ensure high quality services are delivered to the satisfaction of clients and organisational values

Key Responsibilities

1. Home repair and minor adaptation work
2. Delivery of small works projects in partnership with Merthyr Tydfil County Borough Council, Rhondda Cynon Taf County Borough Council and Cwm Taf Morgannwg University Health Board & Housing Associations.
3. Main duties will include but are not limited to the following;
 - Construct and repair steps, pathways, patios, and other hard landscaping features.
 - Lay paving, concrete, brickwork, and other materials to create durable and aesthetically pleasing surfaces.
 - Carry out general building and maintenance tasks, including bricklaying, carpentry, plastering, and tiling.
 - Operate and maintain tools, equipment, and machinery required for the role.
 - Ensure all work meets health and safety regulations and standards.

MULTI SKILLED TRADESPERSON JOB DESCRIPTION AND PERSON SPECIFICATION

- Collaborate with other team members as needed to complete projects efficiently.
- Small Ramps and Home Access
- Key safes
- External and Internal Rails
- Grabrails
- Installation of minor equipment
- Safety in the House i.e. changing locks, security work, intercoms

*This list is not exhaustive

4. Handling stock control for materials and assisting the Senior Handyperson with quarterly stock takes.
5. General housekeeping duties and adhering to Health & Safety legislation and Safe Contractor.
6. Reporting of any observed defects in homes visited to the Project Assistants / Managers
7. Liaise with the referring officer as and when required.
8. Upkeep of works vehicle ensuring they are well maintained and kept clean at all times including submission of van control sheets.

Key Measures of Performance

- To attend properties and complete works allocated in a timely manner
- To ensure referrals are completed within 15 days (Referrals will be allocated)
- To ensure that processes for all service areas are adhered to.
- To submit completed works forms daily.
- To ensure construction phased plans are completed on all properties
- To submit van control sheets weekly
- To ensure costings are recorded clearly on the completed works forms.
- To attend team meetings and support meetings
- To attend national & local training as requested
- To ensure any delays that will impact on service delivery is fed back to the Practical Services Manager
- Any issues identified relating to tools or machinery to be reported to the Senior Handyperson
- To attend events and networking when required
- Maintaining accurate records of all client interactions, adhering to professionalism, commercial confidentiality and GDPR.
- To ensure clients are provided with receipts upon payment and monies are submitted to the office the same day for banking

Key Capabilities

- Proven experience as a multi-skilled tradesman in the construction or maintenance industry.
- Proficiency in laying paving, brickwork, and other masonry-related tasks.
- Strong skills in carpentry, tiling, plastering, and general building work.
